SANTINA'S WOOD FIRED PIZZA Co.

what we offer

For private hire, we offer our signature grazing-table experience, where artisan pizzas are freshly made and served continuously throughout the service, allowing your guests to relax, mingle, and enjoy at their own pace.

Enhance your menu with a choice of Italian sides, including antipasti, garlic bread and salads.

The service runs for approximately 2–3 hours, creating a seamless, elegant flow with no waiting times. We are, of course, happy to cater for vegan and gluten-free guests.

SANTINA'S WOOD FIRED PIZZA Co.

about us

Born in Naples, the home of pizza, Santina and her family travelled to the rolling hills of Northamptonshire from Casaluce in the early 1950's. With them, came a secret family recipe passed from generation to generation.

Today, Santina's son Oli is responsible for safeguarding the recipes that make our pizzas so irresistible.

We pride ourselves on blending the best finest quality Italian ingredients with fresh local produce to create the unique Santina's taste we know you and your guests will love.

our pizzas

Every pizza is made using our freshly prepared dough and sauce. We're inspired by cherished family recipes - handcrafted daily in our kitchen.

We use only the finest authentic Italian ingredients, paired with carefully selected locally sourced produce for our toppings, ensuring exceptional quality in every bite.

We provide everything needed for a beautifully presented experience, including a rustic wooden grazing table, pizza boards, biodegradable plates, napkins, and a thoughtfully curated selection of oils and sauces.

don't just take our word for it

“Our wedding guests still talk about the pizzas
two years on!

Oli and his team made it so easy to decide the
menu and the day was hassle free. Our guests
with dietary restrictions were well accomodated
which left everyone feeling loved.”
